Meijer is expanding its partnerships with healthcare providers and hospital systems to increase community access to services through in-store and store campus medical clinics. The effort is one way Meijer is strengthening its commitment to health and wellness by providing shoppers with opportunities to lead healthier lifestyles, and connecting providers and patients more conveniently.

Meijer is a family-owned and privately-held company committed to meeting the needs of families in the communities of each of its more than 223 stores throughout Michigan, Ohio, Indiana, Illinois, Kentucky and Wisconsin. With the help of Meijer team members and customers, Meijer is able to make the community a better place to live, work and play.
