

Meijer Scotts-MiracleGro Garden Marketplace

Fact Sheet

Meijer is the first supercenter to partner with national lawn care and garden brand, Scotts-MiracleGro, to create a Garden Marketplace inside 27 Meijer stores across the Midwest as peak gardening season begins.

The Garden Marketplace is aimed at providing solutions to outdoor needs, and will feature a variety of Scotts-MiracleGro and Meijer brand products, including quick seed, plant seed packets, soils and fertilizers.

Meijer has offered the popular Scotts-MiracleGro brand for several years, and believes the pilot project will enhance the shopping experience for its novice and avid gardening customers.

The Garden Marketplace will be featured in 27 Meijer stores across the Midwest:
