

Tipp City Distribution Center

Expansion Fact Sheet

Expected to be completed in Summer 2015, the first phase of our expansion at the Tipp City Distribution Center represents our commitment to providing high quality, affordable products to our customers and help provide a healthier, balanced lifestyle for anyone who steps through our door.

Meijer currently has more than 200 stores and five distribution centers throughout Michigan, Ohio, Indiana, Illinois and Kentucky. The new 173,000-square-foot expansion will include the retailer's second dairy and allow the family-owned company to further distinguish manufactured Meijer brand products.

The Tipp City expansion project will accommodate the retailer's growing manufacturing capability:

FRESH DELIVERED DAILY

- Meijer currently employs more than 800 full- and part-time team members at the Tipp City Distribution Center
- The 1.7 million-square-foot Distribution Center features 17 miles of conveyor belts and provides grocery, fresh produce, frozen foods and general merchandise to stores throughout the Midwest
- Meijer delivers to stores 22 times each week
- Meijer ships fresh dairy and meat to its supercenters seven days a week
- The Tipp City Distribution Center ships fresh produce to stores 7 days a week, 364 days a year – an average of nearly 2 million cases of fruits and vegetables per month

EXPANSION OVERVIEW

- The 105,000 square-foot dairy facility will create 100 full-time positions and represents a \$100 million investment in Ohio
- When completed, the dairy will service 100 stores in Ohio, Indiana and Kentucky and support future Meijer growth
- The dairy will work with local farmers and dairy cooperatives to produce 30 million gallons of Meijer-branded milks, fruit drinks and teas per year
- The expanded capability will allow Meijer to manufacture a variety of products, including organic milk, cottage cheese, sour cream and Greek and blended yogurts
- In addition to the dairy, a 68,000 square foot refrigerated warehouse space for storing products will be added to the Tipp City complex
