

Retailer adds Stockbridge Express to Bridge Street Market property

Meijer opened a new gas station and convenience option on Grand Rapid's revitalized West Side this week. Located nearby the retailer's popular Bridge Street Market, at Stocking Ave. and Bridge St., the Stockbridge Meijer Express is geared toward quick convenience needs for its Neighborhood residents.

The new location features four fuel pumps, including diesel and gasoline, and a selection of snacks and essentials. Offerings include everything from breakfast sandwiches and coffee for breakfast to hot dogs, popcorn, ice cream and Icees.

The retailer expects the Stockbridge Meijer Express location will also be popular for neighbors seeking a walkable neighborhood destination for beverages, bagged ice, lottery tickets, cigarettes and chewing tobacco.
