

Meijer Announces Sneak Peek into Weeklong Black Friday Deals

Retailer focuses on helping shoppers get great gifts with weeklong and exclusive deals across the store

GRAND RAPIDS, Mich., Nov. 11, 2021 /PRNewswire/ -- Meijer today unveiled a sneak peek at its plans to help customers navigate this unique holiday shopping season. The Grand Rapids, Mich.-based retailer's ads provide customers multiple opportunities to check items off their lists but, more importantly, help them to plan their Black Friday shopping in advance.

Black Friday deals will start [Sunday, Nov. 21](#) and extend through Black Friday weekend to Nov. 27. The deals will include weeklong savings across the store, bringing shoppers exclusive savings on everything from air fryers and toys to game consoles and televisions as they shop on Thanksgiving and [Black Friday weekend](#). Additionally, an annual Meijer customer favorite – Santa Bucks – will also be extended, offering customers weeklong savings on two separate occasions during the holiday season.

"We understand customers are looking for reassurance as they shop this holiday season, so we plan on doing our part to help them find great gifts by offering a wide variety for everyone on their lists during Black Friday week," said Peter Whitsett, Executive Vice President of Merchandising and Marketing for Meijer. "We hope this sneak peek gives shoppers plenty of time to plan ahead and overcome the challenges of the 'next normal' as they maximize their holiday shopping."

Whitsett said the company expects its Meijer mobile app to be key in providing customers a path to shop its stores in multiple ways. The Meijer app provides seamless access to weekly ads and sale items, as well as its mPerks Rewards program and digital shopping services. Customers can use [Shop & Scan](#) for easier checkout experience or use the app to shop online and have their orders fulfilled for pick-up or delivery. The pickup option offers the same as in-store pricing, access to weekly sales items and has no charge on orders over \$35.
