Announcing the 2024 Meijer Corporate Impact Report

We're excited to announce the release of the 2024 Meijer Corporate Impact Report—a celebration of 90 years of community commitment, innovation, and progress.

This report is more than a reflection on our past; it's a testament to the values that have guided Meijer since 1934 and a look forward to the future we're building together with our team members, customers and communities. From our humble beginnings as a small grocery store in Greenville, Michigan, Meijer has grown into a family-owned retailer with more than 500 locations and 70,000 team members dedicated to enriching lives across the Midwest.

The Corporate Impact Report is our way of sharing the progress we've made, the stories behind our initiatives, and our ongoing commitment to making a positive difference in the communities we call home.

We invite you to read the full report, learn more about our impact, and discover how Meijer continues to support and strengthen the communities we serve every day.
