Meijer Team Gives Program Brings Team Members and Local Nonprofits Together for a Day of Impact Across the Midwest

Meijer team members are celebrating their communities with $3 million in local donations to more than 500 Midwest nonprofits

GRAND RAPIDS, Mich., Nov. 10, 2026 /PRNewswire/ -- Meijer is putting the power to make a meaningful local difference in the hands of its team members again this year, but with a twist. In its sixth year, the Meijer Team Gives program supports hundreds of nonprofits, chosen by Meijer team members, with more than $3 million in donations. This year, team members are bringing the campaign to life in a new way by personally presenting donations to all the selected organizations today, officially marking the occasion as Meijer Team Gives Day throughout the Midwest.

Since launching in 2021, Meijer Team Gives has empowered its more than 70,000 team members to give to nonprofits making a difference in the Midwest communities they call home. Each year, team members at every Meijer store, distribution facility, and supply chain location come together to select a local nonprofit to receive a $10,000 donation (or two nonprofits to receive $5,000 each), turning their passion for helping their community into true local impact.

"Meijer Team Gives continues to create meaningful impact in communities across the Midwest because of our team members," said Rick Keyes, Meijer President and CEO. "They know their communities, understand where support is needed most, and care deeply about the causes they select. Bringing our team members and nonprofit partners together to celebrate these donations on a single day makes every gift even more personal and impactful."

That team-member-led approach has turned local insight into nearly $20 million in support for numerous nonprofits across the Midwest over the last six years. The organizations selected reflect the needs and priorities of each community, from food banks helping families access nutritious meals to youth resource centers creating opportunities for youth to animal rescue programs caring for animals in need. Together, these donations help local nonprofits expand essential services, reach more people, and create lasting impact in the communities Meijer team members call home.

Meijer Team Gives is about trusting the people who know their communities best. By allowing the retailer's team members to choose local organizations close to them, the campaign helps ensure support reaches Midwest communities where it is needed most.

About Meijer: Meijer is a privately owned, family-operated retailer that serves customers at more than 500 supercenters, grocery stores, neighborhood markets, and express locations throughout the Midwest. As the pioneer of the one-stop shopping concept, more than 70,000 Meijer team members work hard to deliver a friendly, seamless in-store and online shopping experience featuring an assortment of fresh foods, high-quality apparel, household essentials, and health and wellness products and services. Meijer is consistently recognized as a Great Place to Work and annually donates at least 6 percent of its profit to strengthen its communities.
